**LAUNCH OF THE SUPERIOR COURTS WEBSITE**

The High and Supreme Courts of Namibia are proud to announce the launch of our new Superior Court Website, which will in future also serve as portal for the electronic system developed by the Ministry of Justice which will enable litigants and the judiciary to file civil court documents and manage case activities in civil litigation electronically in both High and Supreme Courts of Namibia.

Our new Superior Court Website, that can be accessed at <http://www.ejustice.moj.na> is refreshing and dynamic. The launch of our website which co-insides with the 24<sup>th</sup> Independence Celebrations may be seen as yet another step towards our Vision namely Access to Justice for All. The website does not only provide the web surfer with information about our Courts, but it also provides for easy access to relevant contact details, court rolls, judgments, applicable legislation, directives, forms and precedents.

We trust the new Superior Courts Website to be appealing to all.
